Annual Day Report – 2023 – 2024

Good morning to All.

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.”

Vision and Mission of Madonna

Madonna Arts and Science started in the year 2016 with 6 students and 4 staff members with the vision to inspire young minds to take initiatives to solve social, moral, intellectual and spiritual problems for the emancipation of women. With the main mission of providing value-based quality education at the territory level of young women, the college has crossed 7 years and stepped into 8th year with great motto of education, empowerment and emancipation. Here I happily present the annual report for the academic year 2023 – 2024. This academic year started in the month of June with 310 students and 40 teaching and non-teaching staff. I am overwhelmed to imprint and recollect the growth, development and achievements of maldonites.

Conclusion

* My gratitude to the management, staff and all well wishers for the collaboration which has brought great success to this academic year 2023 – 2024. Really, we have crossed a milestone towards the goal and growth of Madonna. A big round of applause to all the students for your unwavering spirit and consistent efforts. I thank the Almighty for his constant guidance and blessings which is going to continue for the rest of the year.

**“ Focus on your goal. Don’t look in any direction but ahead
Do something now, your future self will thank you for later
Don’t try to be perfect. Just try to be better than you were yesterday
Keep going. Everything you need will come to you at the perfect time
Even the greatest were beginners. Don’t be afraid to take that first step”**

Thank You
